

# A GAMING PLATFORM TO DEVELOP NUMBER SENSE

AGE GROUP 5 TO 6 YEARS

# LINGO BINGO

# MATH BECOMES INTERESTING SINCE BEGINNING

## GAME = MATH = FUN

This is a specialized program, ensures practicing Math in an engaging and fun-loving environment. It connects the naughtiness of children with competitive, challenging and interesting games

(game=math=fun). In this way, numbers become playing objects for kids and Math fear is removed right from childhood. It helps them to perform 'Mental Math' with ease, accuracy, and speed.
